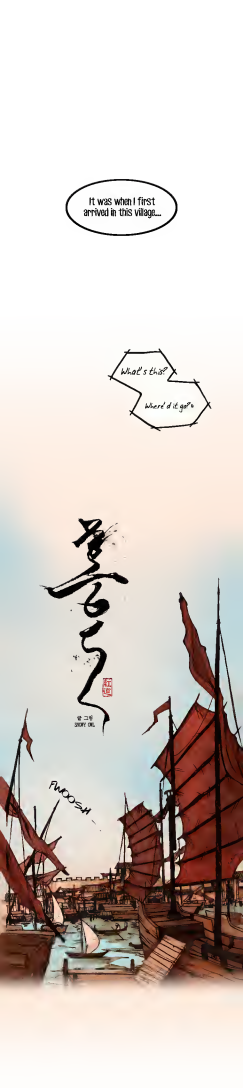
It was when I first arrived in this village...

What's this?

Where'd it go?



Where there should have been a guardian god...

...there was this dumpling face instead.

I caught him just in case.

Pretty useful!

As I thought, I'm clever!

HE... HE'S LIKE A VILLAIN!
Hey, did you move just now?

I'll cut to the chase and suggest this: Tell me where the Crow is, and I'll spare your child's life.

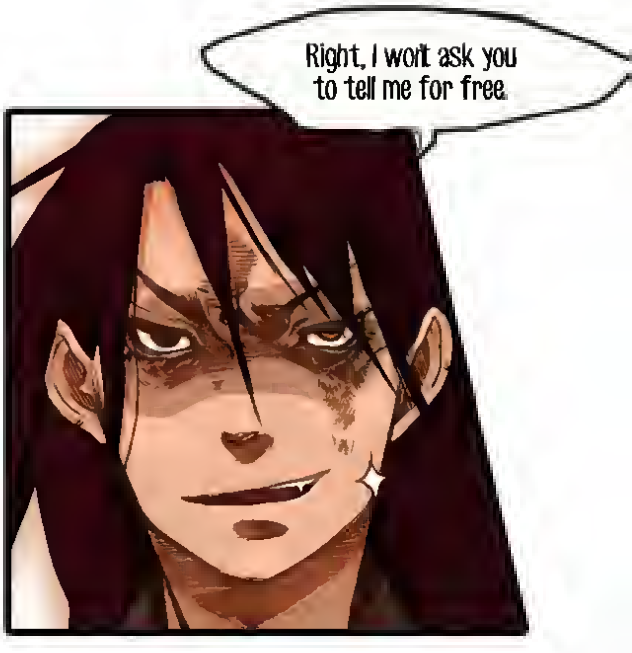
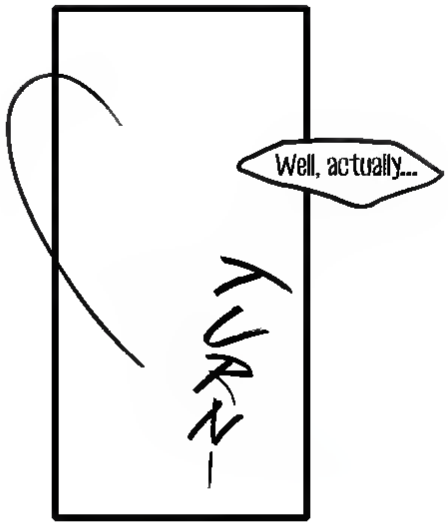
...You're shameless!
No, I'm not shameless. I've thought it over!
What's he on about now?

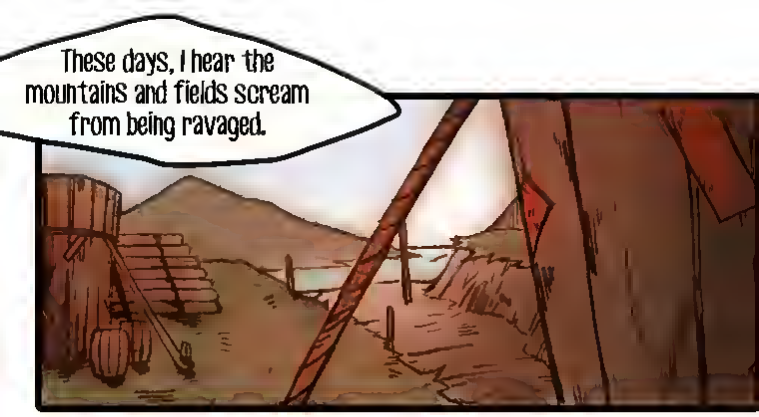


Right, I won't ask you to tell me for free.



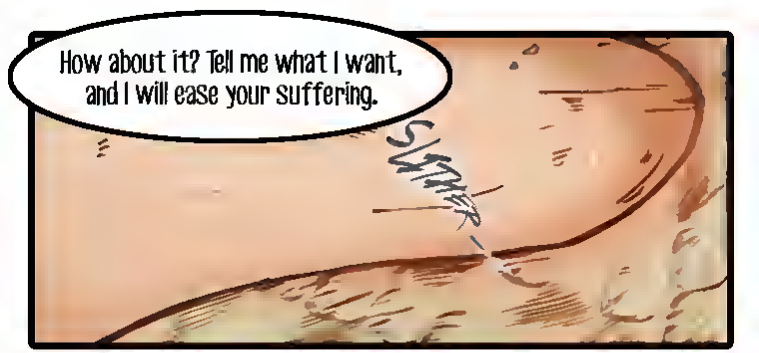
Well, actually...
TURN!

I understand your feelings.



These days, I hear the mountains and fields scream from being ravaged.

But humans firmly believe this is progress.
FLINCH..



How about it? Tell me what I want, and I will ease your suffering.
SLITHER

LIFT
SMASH!

Didn't you hear me?
I told you...
...not to move.

PUSH...

SLASH!

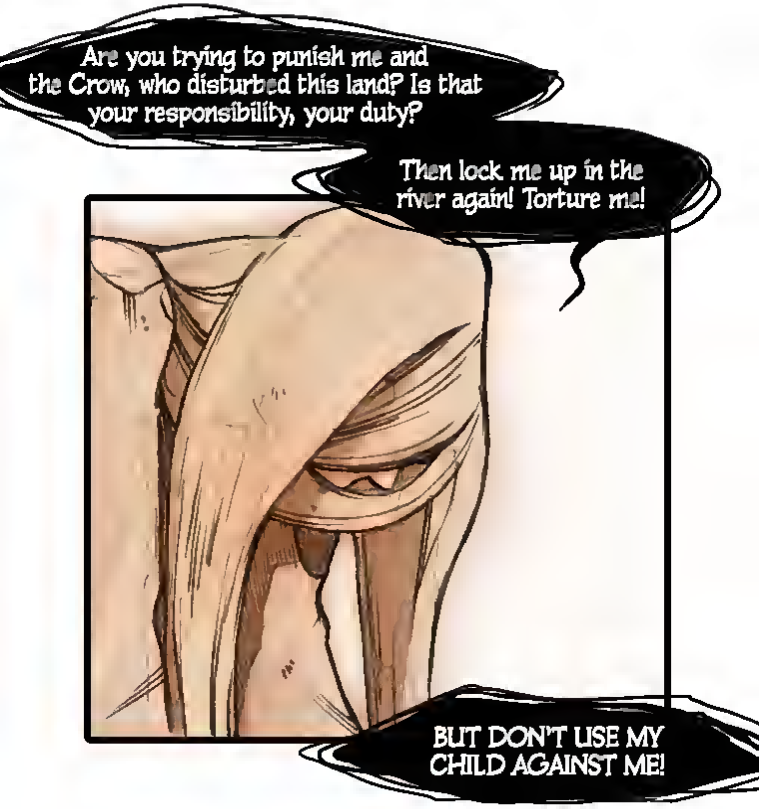
You should stop now.
GESTURE

Your body is at its limit.

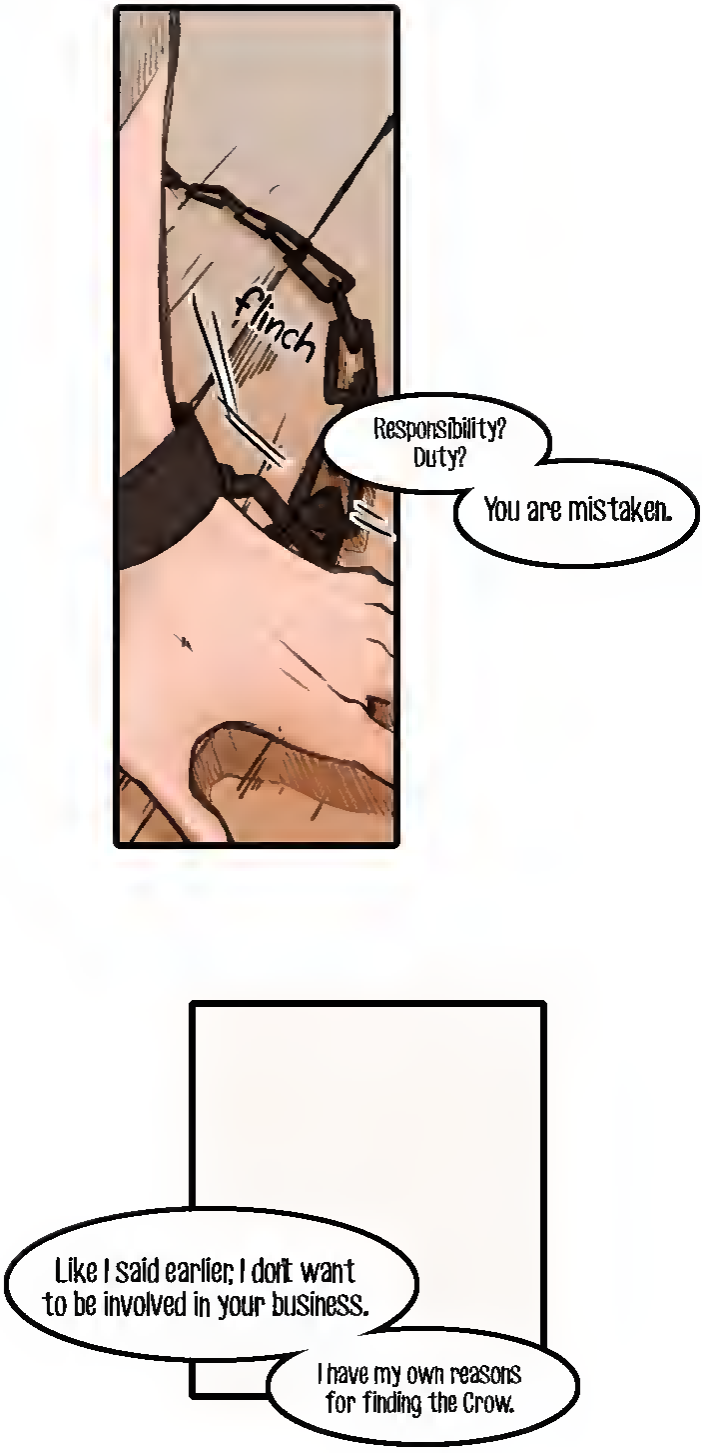
How many have you killed with that sacred body?
For those like you, killing the innocent is a deadly poison.

So, quit being stubborn.
.....

...Why are you interfering like this?
Huh?



Are you trying to punish me and the Crow, who disturbed this land? Is that your responsibility, your duty?
Then lock me up in the river again! Torture me!
BUT DON'T USE MY CHILD AGAINST ME!



flinch
Responsibility? Duty?
You are mistaken.
Like I said earlier, I don't want to be involved in your business.
I have my own reasons for finding the Crow.

I had a debt in the past.
touch

I'm not trying to interfere. Didn't I say I'd help?
I want to catch that black bird quickly.
And when I do...

I'll pay back my debt and take back what was stolen from me...

And then I'll kill him once and for all.

This is the blood of a murderer who has taken hundreds of lives. How about it? Doesn't it look delicious?

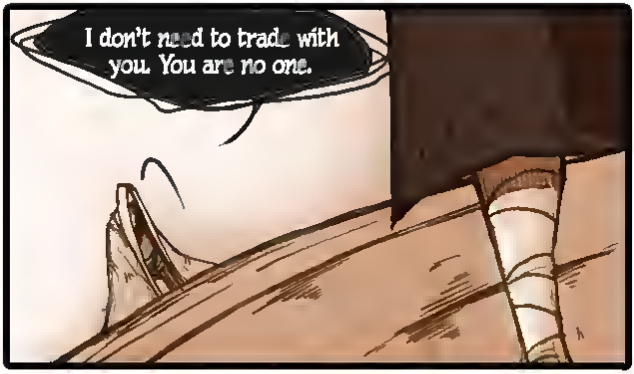
.....
From your point of view, sorcerers are despicable people who aid humans. But they are tasty food as well.

If you tell me where the Crow is, I'll give you my blood, as much as you and your child needs.
It'll give you power, so you'll live for quite a long time...

I REFUSE.

What?



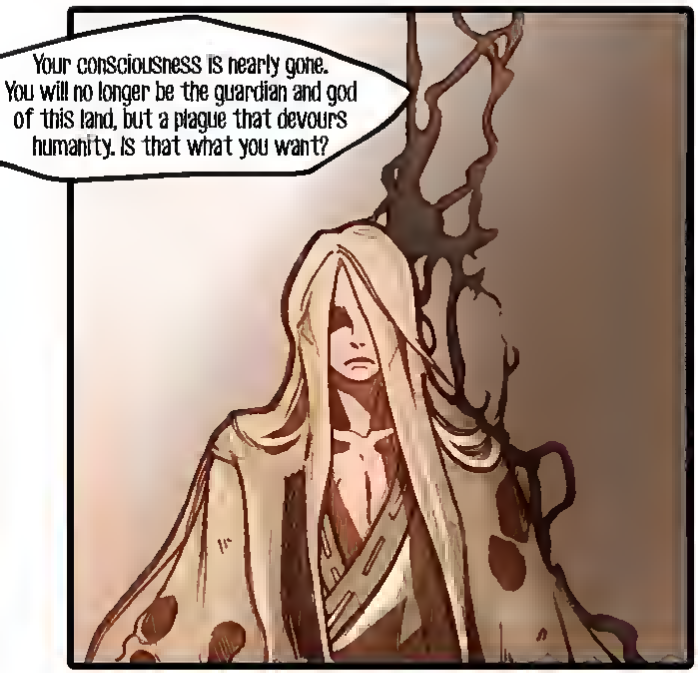
I don't need to trade with you. You are no one.

Hey! Don't you see what's happening here?
What? 'No one'?
He's angry
He's furious

Aren't you near collapsing?

TOUCH

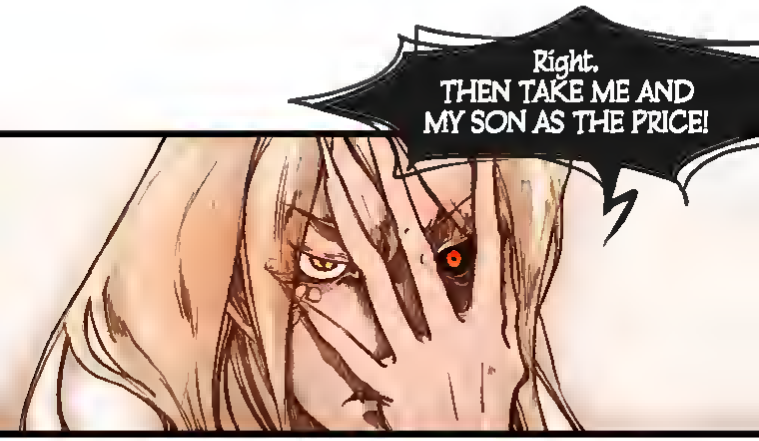
Do you have any power left? Staying in that human form wears you out, right?



Your consciousness is nearly gone. You will no longer be the guardian and god of this land, but a plague that devours humanity. Is that what you want?

No, I do not want that.

You said you wanted to know where the Crow is?



Right.
THEN TAKE ME AND
MY SON AS THE PRICE!

Hey! You must think I'm XXX, but you'll really go to hell...
.....

LOOK!
FLAP

Caused by humans who ravaged my body!

I've been flowing through this land for hundreds of years!
I repeated the cycle, and I nurtured the life in this land as best I could.
Humans were no exception. Even when they selfishly took countless lives that I'd cared for, I never turned my back on them!

BUT WHAT DID THE HUMANS DO TO ME?! THEY TORE ME APART AND SCRATCHED ME UP FOR THEIR GREED!

BECAUSE OF THAT IGNORANT MAN, MY TWO SONS STARVED TO DEATH AND MY WIFE WAS PIERCED BY IRON AND DIED HORRIBLY!
flinch

YOU SAY THAT YOU COULD MAKE ME LIVE LONGER IF I TOLD YOU WHERE THE CROW IS? YOU SAY THAT I COULD BE HEALTHIER?
—!!

IN THIS HELL?!

This is a lot tougher than I thought...

If you follow me, you'll be throwing away all the things this river protects. You're not old yet, and you've still the strength to flow. Do you really want to do this?
What use is it anymore? The things that once remembered me were killed by humans, and they no longer need me.

...But as I thought, I can't do it. Taking in you two annoyances is only my loss. I don't want to.
Do what you want. Then I'll never tell you were the Crow is.

.....
... YOU SHITTY ASSHOLE.
...Fine.

I'm telling you, if you break our deal, that's it.
It won't be just words like right now. It'll be forever.

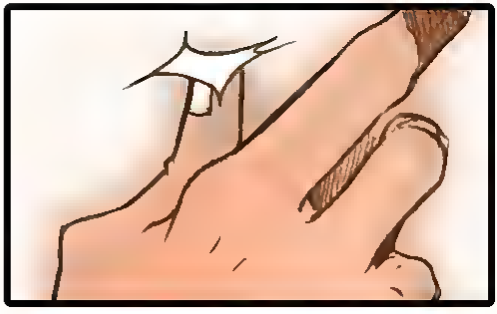
You really have no regrets?

Ha...haha.
If you want my answer, I will give it to you many times.

I THROW IT ALL AWAY!
LIBERATE ME FROM THIS TIRESOME BODY THAT TOOK EVERYTHING AWAY FROM ME FOR THE SAKE OF DUTY!

Well, if that's the case, then...

SNAP!



If you change your mind later, it'll be annoying.
